Live recording from RK of JERK's set at Nexus Night Cafe from the morning of Sunday 13th June. In addition to a considerably early 04:43 sunrise, the morning also featured free JERK CDs and DVDs and film screening.

In a gibe of playful disdain towards Ian Brown, who played a [concert](#) at [Platt Fields Park](#) a day or two previous, the set opens with (among other things) the bassline from a famous song by the Stone Roses.
