

Jurgen Ehrmann : Richard Knight

02:00am to 06:00am on Sunday 11th July at [NexusNightCafe](#)

In what seems like an abrupt change, the time has come for temporal reversal - sunrise times are getting later. The morning of the 11th July is due host a 4:55am rise which will still allow some sunlight for the late-stayers.

The JERK duo will be playing an eclectic four-hour set of slow and dubby music, riddled with subtle complexities - jerkin' house.

As with last month's event, JERK CD and DVD productions will be up for grabs. Projected visual accompaniment to the music will also be provided.

Nexus Night Cafe serves food and drink from 2am-6am, although the venue has a no-alcohol policy.

Some recordings of previous JERK nights are available on the audio stream page.
