

Jurgen Ehrmann : Richard Knight

02:00am to 06:00am on Sunday 10th October at [NexusNightCafe](#)

Back again for the monthly morning jerkup, JE and RK present a dubbed up, slowed down experience for casual yet stimulating listening, and perhaps even some hazy dancing.

October's event will see the debut of RK's live VJing and video manipulation system, supplying thought-provoking visual accompaniment to the distinctive sound of jerkin' house.

Gratis JERK DVDs and CDs will be available while stocks last.

Nexus Night Cafe serves food and drink from 2am-6am, although the venue has a no-alcohol policy.

Some recordings of previous JERK nights, in addition to many other contributions are available on the audio stream page.
