

Jurgen Ehrmann : Richard Knight

02:00am to 06:00am on Sunday 14th November at [NexusNightCafe](#)

The JERK duo usher in the cold winter morning with a nebulous four-hour DJ/computer improv set. Fusing eclectic afterhours downtempo grooves into the characteristic dubby JERK sound, the set will feature nods towards avant-electronica while retaining a deep house credibility. Additionally short videos (and/or live VJ mixes) will be screened during the event, and gratis JERK CDs/DVDs will be available to take away.

Perfect if you're in Manchester centre after a night out and need to wind down your body, but perhaps not your mind.

Nexus Night Cafe serves food and drink from 2am-6am, although the venue has a no-alcohol policy.

Some recordings of previous JERK nights are available on the audio stream page.
