

Juergen Ehrmann : Richard Knight

at [NexusNightCafe](#) - 2 Dale Street, Manchester M1 1JW

The JERK duo will be ushering in the morning with dub inflected, rousing but relaxing music that features hints of house, techno, jazz and other downtempo music made yesterday - jerkin' house.

Expect additional projections/silent film screening, JERK DVDs & mixes up for grabs - and nothing above about 110bpm.

Listen to JE and RK mixes, including previous NexusNightCafe sets in the 'audio stream' section.
